

Get You to Safety (evacuation assistance) Grants – How to Apply

If FEMA has declared an emergency or major disaster in your state or area on the [FEMA website](#), and you need to evacuate your home due to Hurricane Florence, you're eligible to apply for the **Get You to Safety Grant**.

Once approved, applications can be paid within 24 hours. Expect your application to be reviewed or processed within three business days or sooner.

1. Go to www.mckessoncares.org and click on the **Apply Now** button under the **Get You to Safety Grant** paragraph. (You can also go to www.irpstart.com to access the application.)

The screenshot shows the website interface for mckessoncares.org. At the top, there is a navigation bar with the Mckesson logo, the tagline 'MCKESSON TAKING CARE OF OUR OWN FUND', and the text 'Administered by Emergency Assistance Foundation, Inc.'. Below this is a banner image of hands clasped together, with a text box containing the message: 'At Mckesson, we care about our people. When you're at work, at home, and everywhere in between. And we know that in life, things happen you can't always plan for—from hurricanes to house fires. That's why we set up our employee relief fund. It's a way for our people to get (and give) help in the hard times. And it's how we take care of our own. For more, see the [FAQ](#)'. Below the banner are three columns of content: 'APPLY FOR A GRANT' with an 'Apply Now' button, 'MAKE A DONATION' with 'Donate' and 'Donation FAQ' buttons, and 'Community Resources' with a 'Community Resources' button. A red arrow points to the 'Apply Now' button.
